

Here are notes and their letter names on both treble and bass clefs. Ties show the same sound with different note names / letters.

The image displays two musical staves, one in treble clef and one in bass clef, illustrating the relationship between note names and their letter names. The notes are arranged in a sequence that spans two octaves, with ties connecting notes of the same pitch across the clef change.

Treble Clef (Top Staff):

- Notes: C sharp, D natural, E flat, E sharp, F sharp, G natural, A flat, A sharp, B natural, C natural.
- Letter names below: C natural, D flat, D sharp, E natural, F natural, G flat, G sharp, A natural, B flat, B sharp.

Bass Clef (Bottom Staff):

- Notes: C sharp, D natural, E flat, E sharp, F sharp, G natural, A flat, A sharp, B natural, C natural.
- Letter names below: C natural, D flat, D sharp, E natural, F natural, G flat, G sharp, A natural, B flat, B sharp.

The ties connect the following pairs of notes, demonstrating that they represent the same pitch:

- C sharp (treble) and C natural (bass)
- D natural (treble) and D flat (bass)
- E flat (treble) and D sharp (bass)
- E sharp (treble) and E natural (bass)
- F sharp (treble) and F natural (bass)
- G natural (treble) and G flat (bass)
- A flat (treble) and G sharp (bass)
- A sharp (treble) and A natural (bass)
- B natural (treble) and B flat (bass)
- C natural (treble) and B sharp (bass)
