## QUESTIONS FOR DISCUSSION WILL INCLUDE:

- \*How—and how well—have our institutions responded to society's economic problems and challenges?
- \*What exactly does President Obama's Plan for Community Colleges mean? How should we respond, react, plan?
- \*How did Higher Education fare in the 81st Legislative Session?
- \*What improvements and changes should we make to the CLARA program—in general, and for all CLARA graduates?
- \*Should we be more involved and active Consortium-wide in Global Education?
- \*Do we need to create a Consortium program for providing on-campus presentations and workshops?
- \*What exactly is Emotional Intelligence, and why is it essential for authentic Leadership?
